The estate has a 150 m<sup>2</sup> yoga room equipped with all the necessary materials for practice, and offers workshops on meditation, breathwork, kundalini activation, cacao ceremonies, and tuning fork therapy, among others. These experiences are designed to facilitate reconnection with oneself and promote healing on a physical, mental, and spiritual level.

*FOR MORE INFORMATION, PLEASE CONTACT US!*

# Opening hours

The estate has set hours for daytime events: from 11:00 a.m. to 9:00 p.m., at which time the music will be turned off completely. The estate closes at 10:00 p.m.

*\*\* In the case of same-day decoration assembly, the arrival time at the property will be specified.*

# Accessibility and location

Located on the road to Palmitos Park, the estate is easily accessible via a 200-metre dirt road, suitable for small vehicles and minibuses. It has a **parking area** with capacity for approximately 40 cars, which facilitates the logistics of events and retreats organised on site.

# Music and sound

The estate reserves the exclusive right to decide on matters relating to sound.

We have a portable music system that is compatible with Bluetooth and cables. This sound system is included in the price of the property.

Music restrictions: please bear in mind that we are located in a ravine area, which means that noise and music travel faster.

We must therefore control both the volume of the sound emitted and the time restrictions until 9 p.m. in accordance with municipal regulations.

Bands, music groups and singers with their instruments are not permitted.

If you wish to hire a DJ during the celebration, the estate reserves exclusivity for the company SUNDANCE, that means that only they can offer the service.

The cost of the DJ service is €40/hour + €75 for equipment rental. If you are interested, we will contact the company to make the reservation.

# Reservations, cancellations and conditions

If the customer cancels their reservation for personal reasons, they will be charged 50% of the final agreed amount. In the event that, on the day of the event reserved by the customers, adverse weather conditions occur, understood as such, rain, wind, storm or other similar phenomena such as flooding, whose intensity makes it impossible to the event to take place, the estate will not be held responsible for the cancellation of the event. The customer may hold their event on another date. **The reservation made will NOT be refunded.**

Similarly, in the event of unforeseen, fortuitous causes that are completely beyond the control of the estate and are not expressly excluded in this information dossier, the customer may hold their event on another date, and if they do not wish to hold it at a later date, under no circumstances will the full amount be refunded, only 50% of the final agreed amount.

The customer will receive the premises in good condition and agrees to return it in the same condition at the end of the event. The client is responsible for paying for any damage or loss of materials suffered during the time of use of the property and, therefore, a deposit of €200 will be required, which will be returned if everything is left in the same condition as it was at the start of the event, within a period of 48 hours.

The customer is responsible for everything that happens during the celebration, including food, drink or any entertainment or other services contracted, exempting FINCA LAS ORILLAS from any liability or incident during said celebration.
